Dear Lisa:

I hope you have been aware of the good "thought waves" I've been directing toward you recently. Although I have not heard from some of you in a long time, you frequently are in my thoughts.

You Scholars are an important part of my life and will continue to be even after I leave Georgia Tech at the end of this month. Whenever you experience a new triumph, receive another award, or just feel the need to touch a part of the past, I hope you will let me know. Hearing from you will give me great pleasure.

As you know well, you always have my best wishes for continued success in any endeavors you undertake.

Sincerely,

E. Jo Baker
