Dear Miss Phillips:

Congratulations on your selection as a participant in the Mississippi Economic Council's Student-Teacher Achievement Recognition program.

I would take this opportunity to congratulate you and your family for your achievement as a student. I know that your parents are proud of you, but I want you and them to know that there are others who take great pride in your good work.

Again, congratulations on your excellence as a student, and I wish for you the very best of everything after your graduation from high school.

Very truly yours,
