N.B.—WRITE PLAINLY WITH UNFADING INK—THIS IS A PERMANENT RECORD. Every item of information should be carefully supplied. AG should be stated EXACTLY. PHYSICIANS should STATE CAUSE OF DEATH in plain terms, so that it may be properly classified. Exact statement of OCCUPATION is very important. RACIAL ORIGIN will be described by stating to what people or tongue the deceased person belonged, whether English, Irish, Scotch, French, German, etc. The terms "American" or "Canadian" should not be used, as they express citizenship but not a race or people. See instructions on back of Certificate.
