

ly made my baby's room
up all around the baby's
no hassle at all."

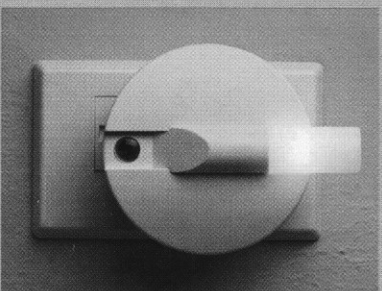

Karri Hanson

Stikarounds® are removable and reusable! You can position and reposition them exactly where you want—on any flat surface. Each set has 29 or more adorable large and small appliques.

Please specify: Bear ABC, Noah's Ark, Beatrix Potter or Wild Things.

Stikarounds®
#01110026 **\$29.95**

Stikarounds® are an adorable and affordable way to decorate and redecorate your little one's room. They look like they've been painted right onto the wall!

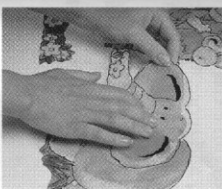

Automatic plug-in night light

The economical long-life neon bulb should never need to be replaced. And since the bulb never gets hot, it's ideal for the nursery.

This handsome night light will cast a reassuring glow in baby's room. Whenever the room gets dark, the automatic sensor turns on the light.

Crib Mates keep baby comfortable and reduce sheet changes

Usually the only part of the sheet that needs changing is where baby has drooled. Now, you don't have to change the whole sheet. Use our 100% cotton flannel Crib Mates to absorb baby's drool and keep sheets dry.

Two reversible Crib Mates per pack. Specify color: Mint (catalog only), Blue, White or Pink.

Crib Mates 2/pack
#01110041 **\$16.95**

Crib Mates are a very durable overlay. They feature tie strings so you can easily fasten them to the slats of the crib.
