Affidavit of María-Luisa Gutiérrez Rexach
State of Florida
County of Orange

I, María-Luisa Gutiérrez Rexach, residing at 204 Quayside Circle #203, Maitland, FL, being duly sworn or affirmed, declare and state the following:

1. I am over eighteen (18) years of age and competent to make this affidavit. The facts declared herein are based on my personal knowledge and belief.
2. I was married in Madrid, Spain, on the 6th day of September, 1967, to José Luis Pino y Torres.
3. My former husband, José Luis Pino y Torres, was a native of Peru and studied medicine in Madrid.
4. As we prepared for our marriage, we were told that I could automatically retain my Spanish nationality while acquiring Peruvian nationality due to a dual nationality agreement between the two countries; however, I was unaware that I would lose my Spanish nationality if I did not specifically declare my intention to keep it.
5. After ensuring all arrangements were made, we were married and spent a few days in Santander for our honeymoon.
6. Upon our return from our honeymoon, my father, worried, informed me that because I had not explicitly declared that I wished to retain my Spanish nationality, I had lost my Spanish nationality upon acquiring Peruvian nationality.
7. However, my father realized this error and, although I had not yet returned to Madrid, spoke with a judge who indicated that the error had been corrected.
8. It was never my intention to lose my Spanish nationality, and this situation was distressing to me.
9. Despite the years that have passed, I maintain a strong emotional bond with Spain and support my descendants' desire to obtain Spanish nationality.
10. These events occurred in 1967, and I am providing this statement to the best of my recollection in 2025.

11. I am providing this affidavit in support of the application for Spanish citizenship under the Law of Democratic Memory for my children, my grandchildren, and my great-grandchild.

12. Under penalty of perjury, I declare that I have read the foregoing document and that the facts stated in it are true and correct to the best of my knowledge and belief.
